## “EAT WELL”

The Italian dinner table is more than a place to enjoy culinary delights and satisfy hunger. It is a place where families gather to appreciate each other and is the symbolic center of family life. Italians understand the magic created when you incorporate the enjoyments of great conversation and the pleasures of beautiful food and drink.

At Russo's we strive to recreate this sensation between family and friends during every meal. It's not just the food that keeps our guests coming back. They come for the Russo's dining experience.

“If it isn't fresh, don't serve it.”
